

IPC EAGLE

MPAD

CODE: MPAD10

MELAMINE PAD 4" X 10"
WITH HOOK AND LOOP
FASTENER BACKING

MELAMINE COMPOSITION

The M-Pad is made of Melamine Foam which is a Micro-porous substance with a fine, very hard inner structure that works as a Micro-Abrasive . It can physically clean surfaces without the damage of normal abrasives.

UNIVERSAL STAIN REMOVER

Can remove very tough stains whether marker, shoe scuffs, grease , crayon or other difficult stains.

SAFE & ENVIRONMENTALLY FRIENDLY

IPC M-Pads are Formaldehyde Safe and can be used with or without chemicals to effectively clean.

REUSABLE

The foam wears away slowly, like an eraser, and can be used over and over until the melamine foam is completely removed.
